TULARE COUNTY ANIMAL CONTROL

JUNE IS CAT ADOPTION MONTH

June is Cat Adoption Month, so our shelter has reduced the adoption fee for our cats to only \$38. WOW! That includes spay/neutering, first vaccinations, cat food, a free wellness exam and a carrier. Now the hardest part of the whole adoption process will be choosing which adorable kitty to take home...

So tell everyone you know where to find a kitty, sure you can pick-up a free kitty out of a box in front of Wal-Mart, but no animal is ever free. Plus if you adopt from our shelter in June you are not paying an adoption fee, your just paying for the spay/neuter. That means your getting a great deal for just \$38.

Now what do we have at the shelter...well what don't we have...

We have kitty's in every size and color...so come into the shelter Monday-Saturday 10am-5pm and meet and greet. Our kittens range in ages from 8 weeks through adult.

Don't forget we accept cat donations, Monday-Saturday. We always need canned cat food, cat toys, cat beds, plastic littler boxes, litter (Regular and Scoopable), cute collars and the much needed newspapers...

If you just can't adopt, but you really want to help a homeless cat, please consider the sponsorship program. This program allows people to choose a dog or cat an apply their donation to the spay/neutering and adoption fee.

There are many wonderful cats and dogs awaiting adoption...

Love at first sight...

THE DOG PARK

Well we have all seen the wonderful fence that encloses our dust bowl of a dog park...

So it's time to start with the planting...YEAH!

Do you have a favorite perennial bush, or you just love a special flower, well bring it down to plant...maybe you know someone that makes stepping stones...we are looking for wonderful items to decorate the outside of our park. The tree's that were donated about a year ago are getting ready to be planted!

We are looking for a donated fountain, and toys for the dog park...

But don't forget we still are collecting money for the artificial grass that will be in the inside of the dog park...as soon as we have raised enough the grass can be installed....

Monetary Donations can be made for the dog park :

“Friends of Tulare County “
